

St Luke and St Philip's Home School Agreement – June 2020

Dropping Off and Collecting

- My child will enter the school grounds as directed by the school staff; through the main entrance on Hancock Street, the Reception Entrance on Hancock Street or the back entrance off The Galligreaves Estate.
- After queuing up by the side of the cones outside the gate, I will drop my child at the front of the gate.
- I will be mindful of other parents and keep 2 metres away from each other.
- My child will follow the one-way system and exit the school grounds as directed, maintaining social distancing protocol.
- I understand that no parent/carer will be allowed into the school building and that I will not be able to stop and chat with members of staff or others.
- I understand that communication with school staff will be done via email, class dojo or a phone call before or after school.
- I understand that I must adhere to the drop off/collection times given to allow social distancing measures to be effective.
- I understand I may be asked to wait outside the school grounds until other children and their families have left the school grounds/entered into school.
- If I am late bringing or collecting my child, I will come to the main entrance, where my child will be collected. Where possible, I will ring school to inform of any lateness.

Health risks

- I understand that the school and parents/carers need to have strict procedures in and out of school to reduce the risk of COVID 19 or other viruses and illnesses being brought into and spreading across school.
- I understand that my child will be in a year group 'pod' with a maximum of 10 children. 'Pods' of children will not mix together.
- I understand that the adults working in school will try to maintain common sense in terms of social distancing whilst working with the children; however, they are caring for the children and therefore may work closer than 2 metres with them.
- I understand that whilst the school will always try to regularly clean the areas used, will engage in frequent hand washing, will ask staff to abide by rules for clothing/showering etc., we are unable to guarantee a virus-free school.

Controlling the Virus and Hygiene

- My child will have washed before arriving at school and will remove their clothes when they get home.
- My child will wear their own appropriate clothes (not uniform) and will wear clean clothes every day.

- I will bring an appropriate coat and sun hat for playing outside and for the weather conditions but nothing else except medication (see below) – no books, no bags, no items from home.
- When appropriate I will apply my child with sunscreen before school.
- I understand that my child will be using hand sanitiser gel and wash their hands frequently through the day.

Medication/Illness

- **I will not bring my child to the school if they have any symptoms of coronavirus or if anyone in the household has symptoms. I will isolate my child and the whole household for 14 days if this is the case and will inform the school immediately.**
- If my child has medication for asthma, allergies or other conditions, I will ensure that they have the medication with them in a labelled container.
- If I need to bring in medication for my child I will pre-agree it with school by phoning the office and following school procedures and guidance for delivering as directed by school staff.
- I understand that if my child becomes unwell during their time in the school, they will be immediately placed in isolation (in accordance with government guidance) and I will be contacted and asked to collect them. If I can't be reached, the other contacts given will be called.
- I understand that if any children or staff in my child's 'pod' test positive for coronavirus, my child will also have to self-isolate for 14 days.
- I understand that if my child falls dangerously ill the staff will contact medical services.
- I understand that if my child has an accident (eg nose bleed, sickness), staff will wear appropriate PPE to administer the necessary first aid.

Provision

- I understand that should it become impossible for St Luke and St Philip's Primary School, A Church of England Academy to remain open because of a COVID outbreak or staffing shortages then the childcare will cease with immediate effect and that this may be with very little notice.
- I understand that some staff may choose to wear items of PPE (eg. Face masks) and that they will have received training to put it on correctly.
- I understand my child will be given a school dinner unless I choose to send in a packed lunch but will send it in a disposable bag and not send a lunch box or other items into school with them, except for a bottle of water.
- I understand the children will not be bringing reading books or other items home with them.

Name of Parent/Carer (s): _____

Child: _____

Year Group: _____
